## FROM THE EDITOR

This month we are pleased to feature another beautiful cover and pictorial by eyeKandey Digital Media. Sweet Juliette Silverkist will definitely catch your eye as she is discovered, and uncovered in our Feature Pictorial.

Daniella poses for her first topless photo shoot, and we focus on 'Bras & Tits' in our Amateur Submissions.

Lastly, but certainly not least, this month we feature a very special exclusive pictorial featuring 18 year old Chelsea in her first topless photo shoot.

Our online magazine is taking a slightly different format, allowing you to view each page individually, rather than continuous scrolling. We hope you like the new format.

We have also just launched an exclusive private 'Libertine Members' area in preparation for our special issue, as well as to showcase some of the most exquisite erotic art and films.

Thank you for your continued support of Glass Houses Magazine as well as your likes and comments on Bluesky!

DANIELLA

First Shoot

We love to find young  
teen girls who have never  
posed nude before, and  
feature their very first  
photo shoots here.

Just turned 18,  
Daniella was eager to  
be photographed

Starting off with a couple of casting style shots, Daniella looks amazing in her lingerie.

Although Daniella  
did not want to  
pose completely  
nude, we love  
her first ever  
topless photos!

# FEATURE PICTORIAL

*Juliette Silverkist*

*by eyeKandey Digital Media*

*In her exclusive  
debut pictorial for  
Glass Houses  
Magazine, Juliette  
Silverkist gets  
completely nude,  
and shows us why  
your attention will  
be on her as a new  
and powerful erotic  
model, who is not  
afraid to express  
herself in both  
words and  
pictures...*

*"I was born and  
raised in Reno, NV.*

*Even as a young girl,  
I've always been the  
strong-minded  
rebellious type, and I  
have always been  
very interested in  
exploring my  
sexuality."*

*"Shooting  
nude content  
is very  
empowering  
for me..."*

*"It is an  
awesome  
feeling of  
absolute  
freedom..."*

*"I got started in modeling when a local photographer noticed my Instagram profile and asked to setup a shoot."*

*"Posing nude  
is actually  
more  
comfortable  
for me, than  
non-nude, as  
strange as that  
may seem to  
some people.*

*It's just a way to  
freely express  
myself and have  
a visual image of  
that expression."*

*"At age 13,  
I discovered  
that I had (and  
still have) an  
attraction to  
females. I am  
bisexual by  
nature I guess."*

*"The rebellious  
side of me was  
always present.*

*At 15, I took  
my mother's  
car from the  
garage and  
drove myself  
to a party  
that my  
mother did  
not want me  
to attend.*

*For that I got  
grounded  
BIG TIME!"*

*Today, my  
rebellious  
nature  
continues to  
flourish in many  
ways. I love  
nude modeling.*

*"I very often  
just walk  
around the  
house totally  
naked, and  
feel more  
comfortable  
that way than  
when I am  
wearing  
clothing."*

*"I have also love erotic and explicit modeling.  
There's nothing quite so exhilarating to me."*

*"I consider it to be the ultimate in expressing  
myself and my sexual freedom..."*

A young woman with long brown hair and a nose ring is posing nude in a white bathtub. She is wearing a black choker with red strawberry patterns and a small heart-shaped tattoo on her upper chest. Her right arm is raised behind her head, and her left arm is resting on the edge of the tub. She is wearing black thigh-high socks. The background shows a window with white curtains and a view of a building outside. The floor is wooden, and there is a glass of water with lemons on the left.

*"Shooting  
explicit content  
is empowering..."*

*It is exhilarating,  
and comes with a  
heightened feeling  
of sensuality if not  
sexuality..."*

*"I am totally comfortable with shooting nudes, even erotic nudes..."*

*"I only have one life to live  
and I am going to live it  
MY WAY to the fullest!"*

# CHELSEA

*by James Bontemps*

Chelsea came to the studio very late at night. Barely 18, and very nervous about her first topless photo shoot with me...

I ask Chelsea to undress, and she slowly unbuttons her black jeans...

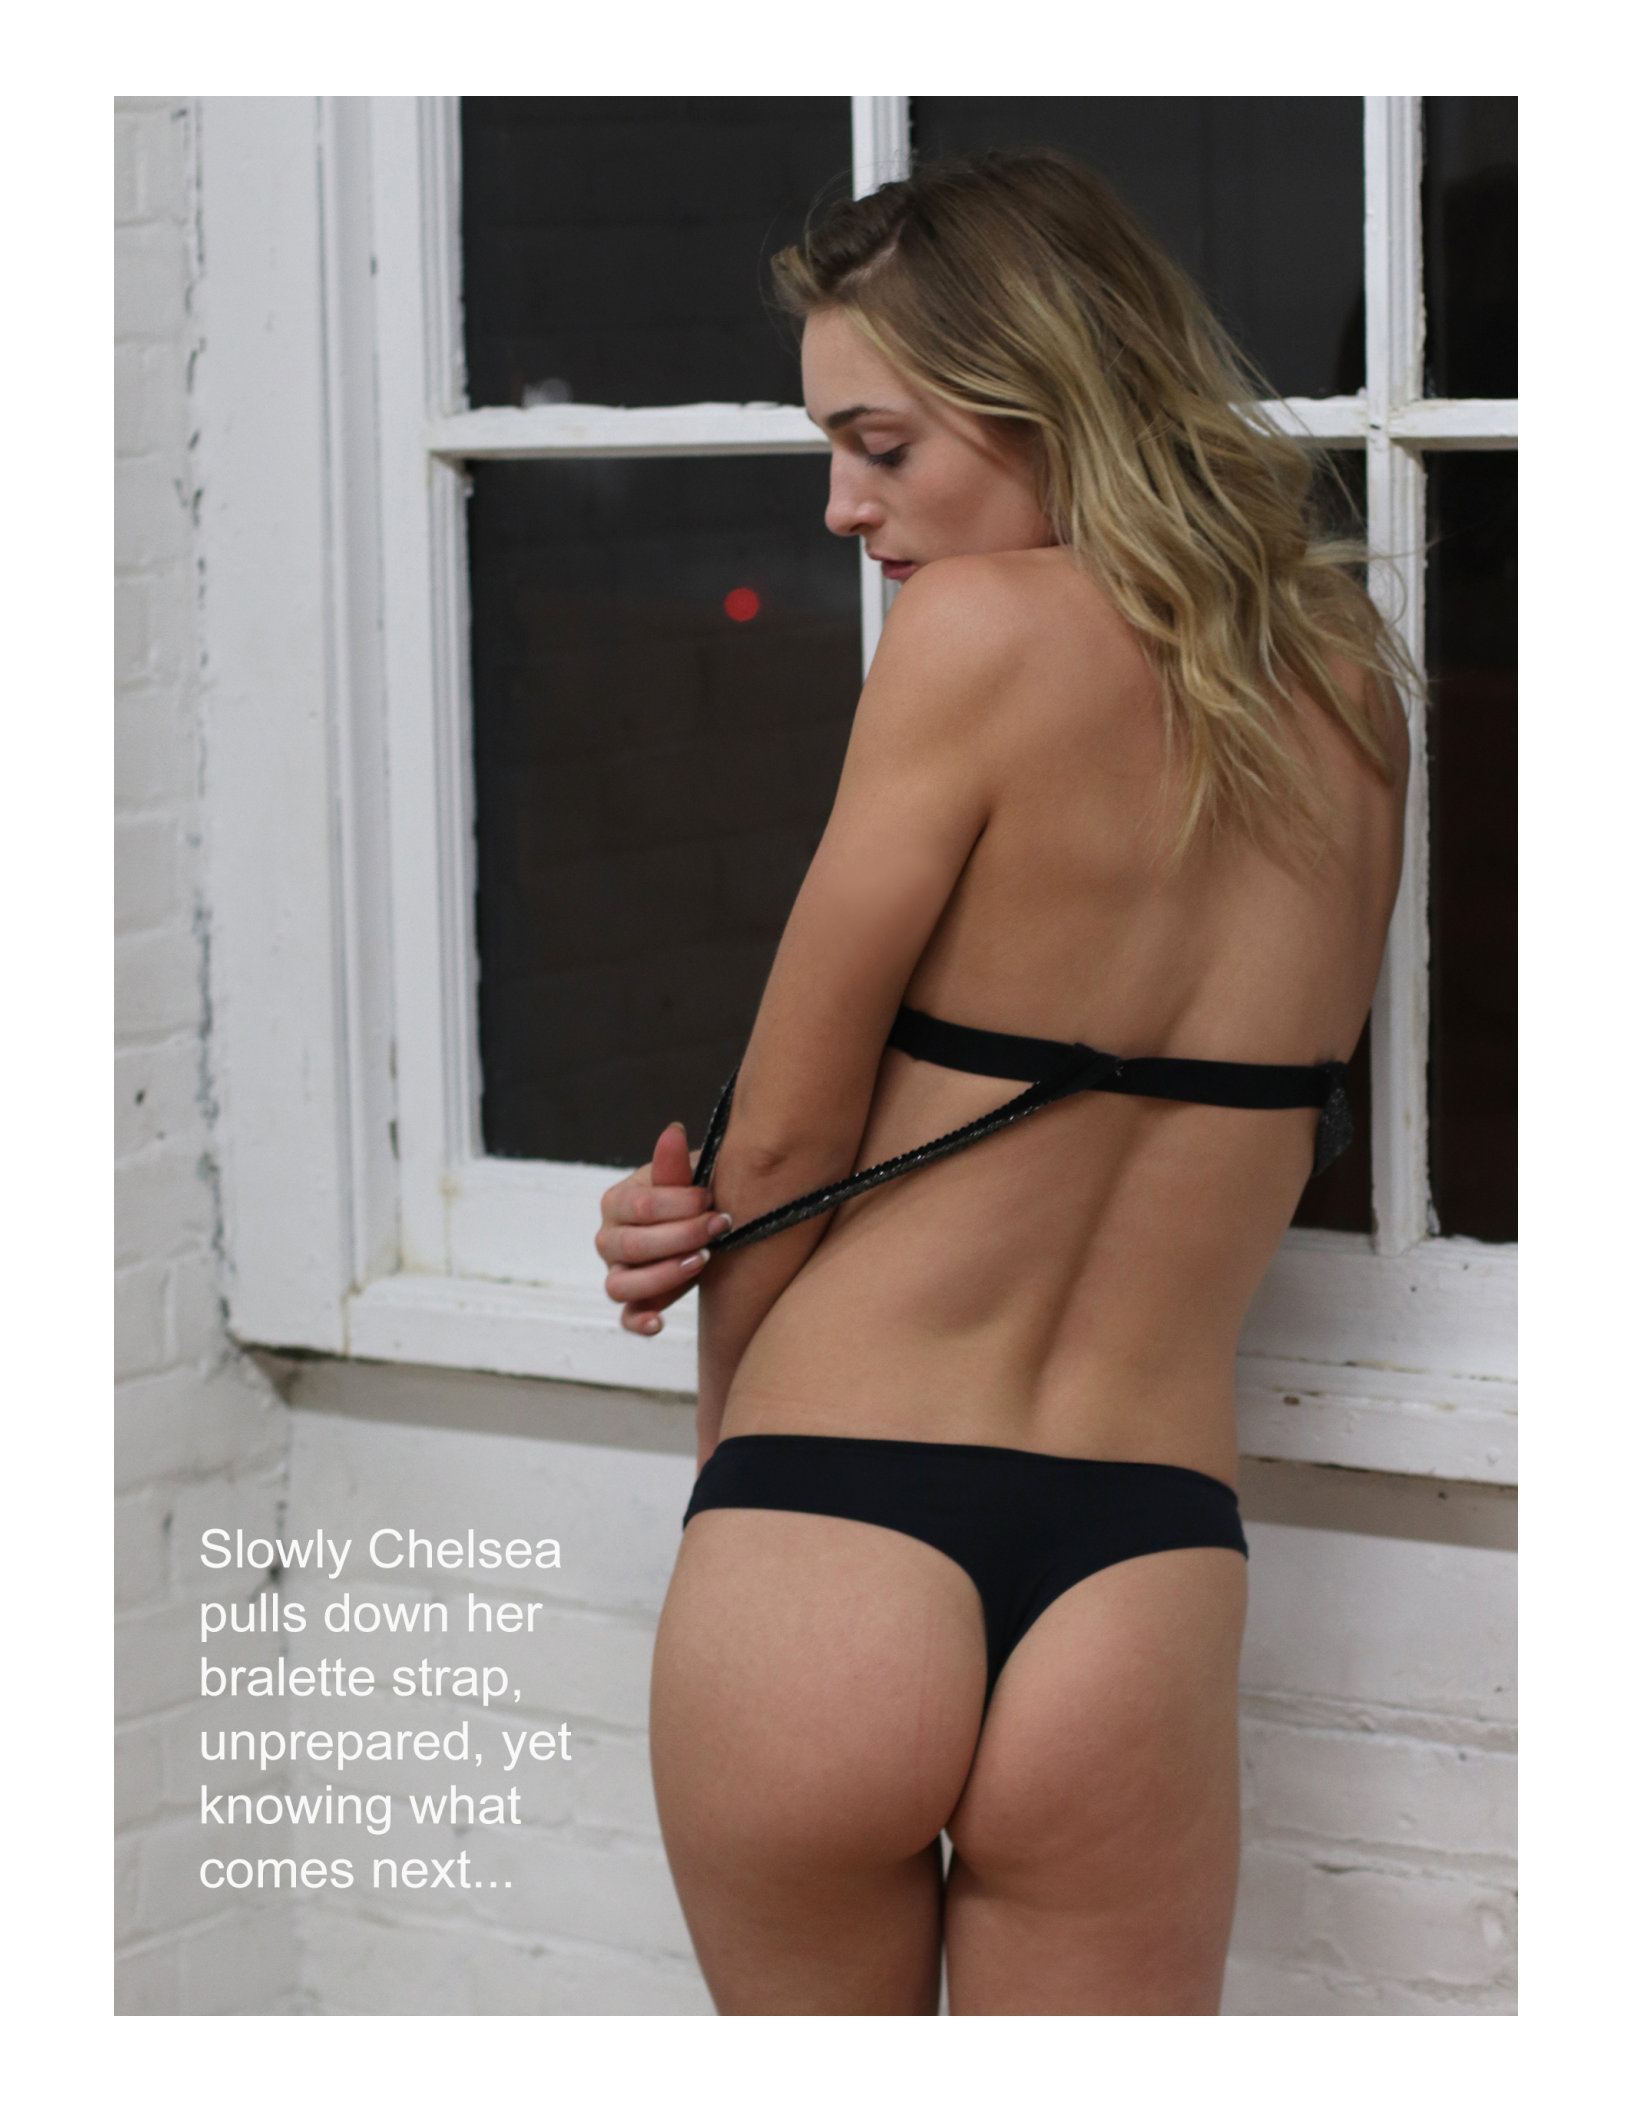

Chelsea's eyes draw you right in...

...and her slim  
flawless body  
seals the deal..

A photograph of a woman with long, wavy blonde hair, seen from the back and slightly to the side. She is wearing a black bralette and black thong underwear. She is holding a black strap that runs across her back, pulling it down towards her waist. The background features a white-painted brick wall and a window with white frames. The lighting is soft, highlighting the contours of her body.

Slowly Chelsea  
pulls down her  
bralette strap,  
unprepared, yet  
knowing what  
comes next...

She knows what is being asked, and part of her wants to do it, but another part resists...

Her eyes look right at me, her hands cover what she is afraid to reveal - to me, and to everyone...

One last unspoken appeal to me from her eyes, but I tell Chelsea that her power is in casting aside all of her fear, and to reveal her perfect beauty to me now.

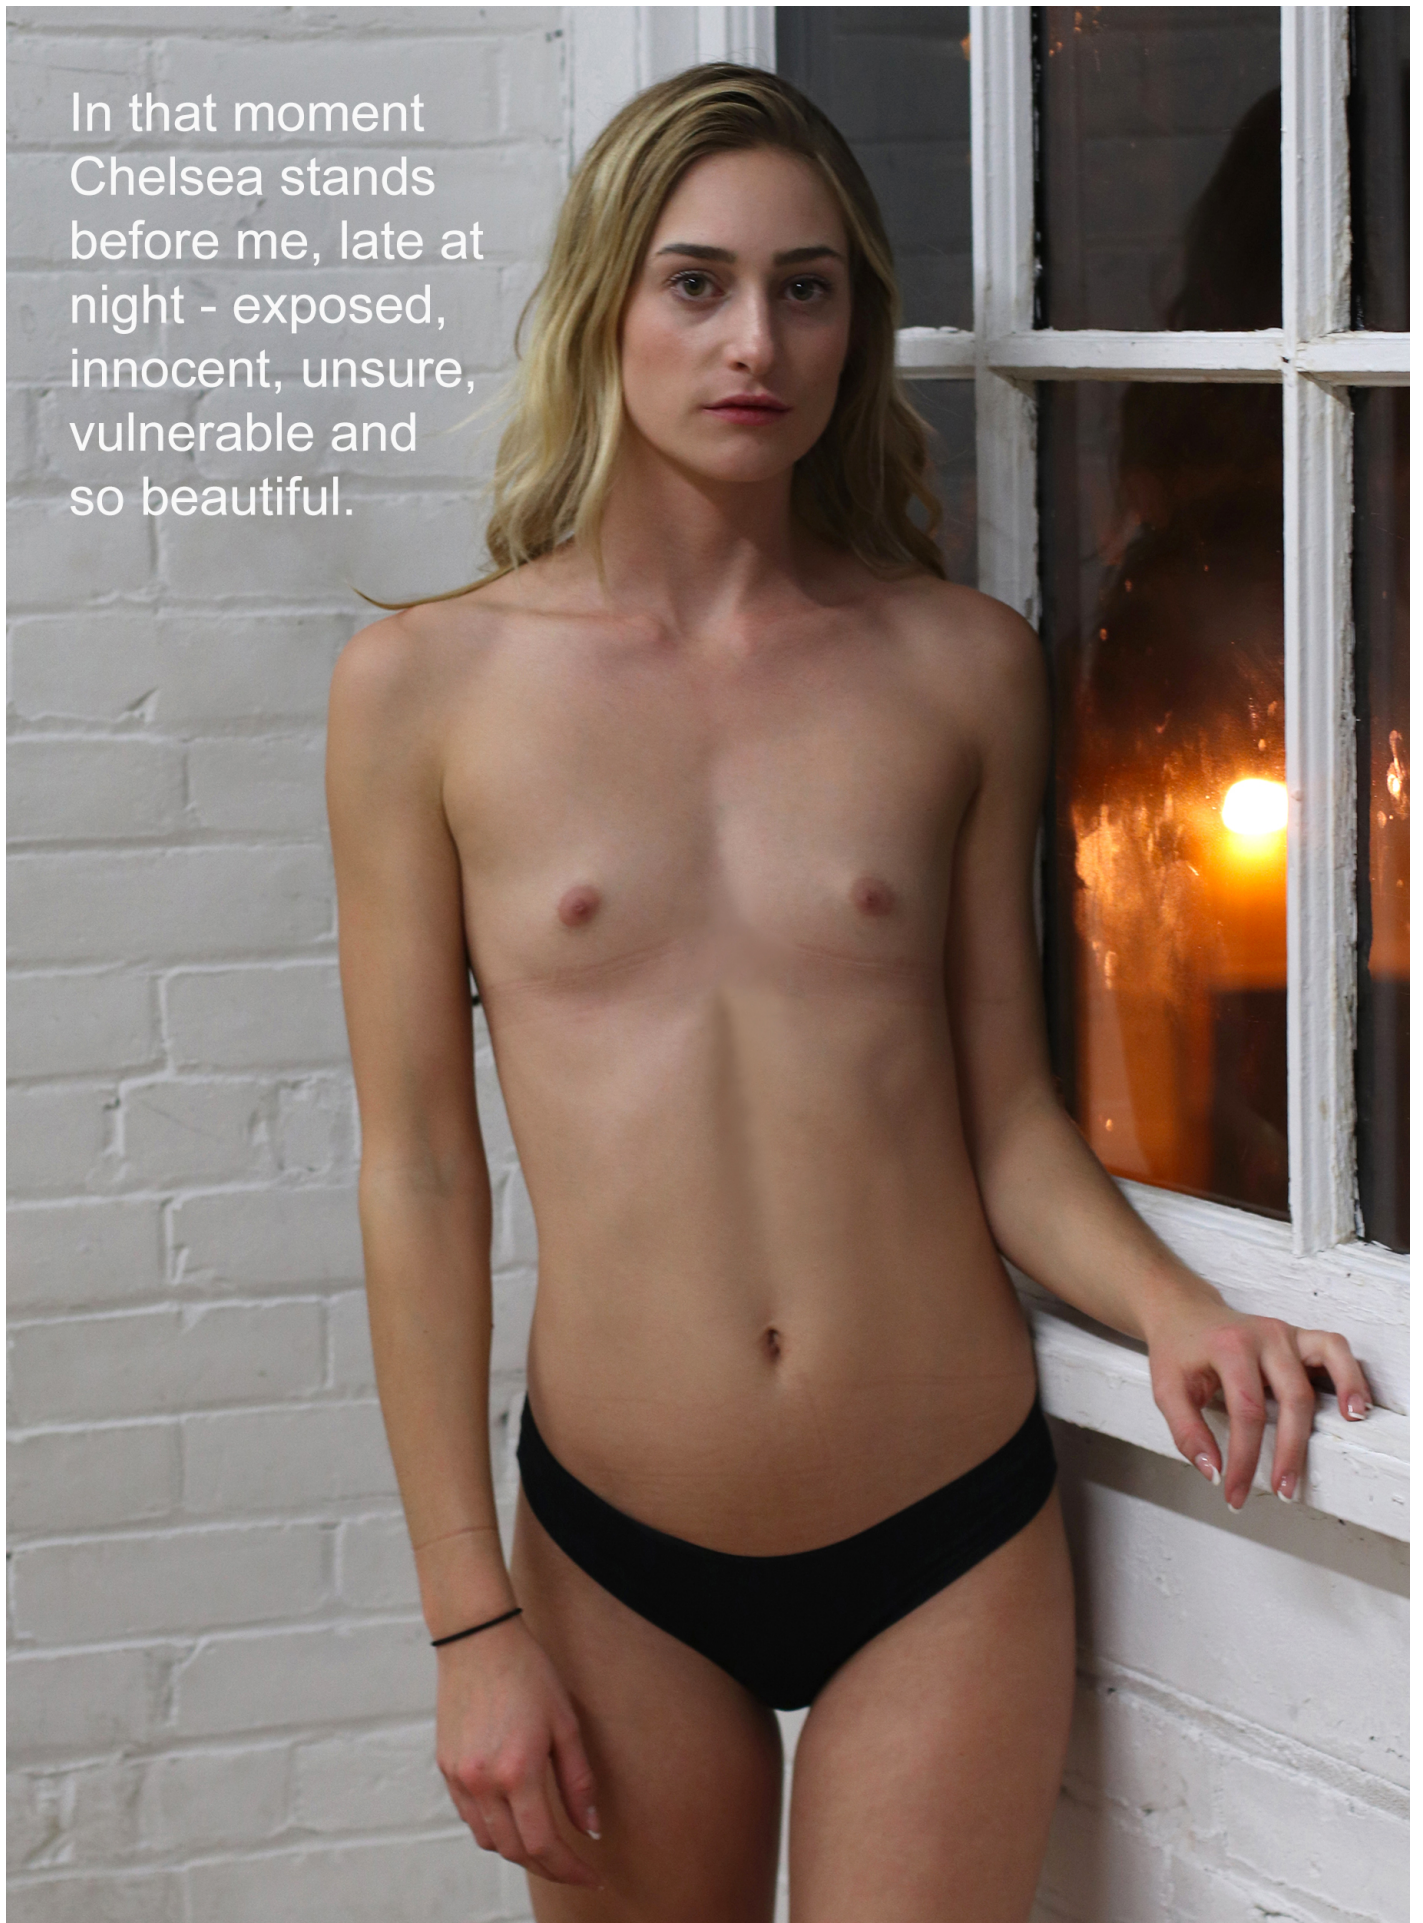

...and then  
her perfect  
tiny tits are  
revealed to  
me for the  
first time...

In that moment  
Chelsea stands  
before me, late at  
night - exposed,  
innocent, unsure,  
vulnerable and  
so beautiful.

And now, a look of defiance.  
Fear is turning into acceptance...
